Private letters from London state that there was some de mand for Peonsylvania Fives at 45 a 46, on speculation, but to sales for any other description. Notwithstanding the amount of money idle and seeking investment was large beyond precedent, capitalists, until the General Govern ment made some decided move in relation to the debts of the States, would look upon the Stocks of New-York and Massachusetts with the same suspicion as upon those of Mississippi and Michigan. The nominal quotations are, Indiana Fives 204; New-York Fives, 1858, 75; South Carolipa do. (Palmers) 721; United States Bank shares 10s a 9s. It was rumored in Philadelphia that the Lancaster Bank had suspended. The Relief Notes were getting very much depreciated, especially the Erie, and in Wall-street they are difficult of sale.

The arrivals at Boston for the month of October were 25 ships, 32 barks, 108 brigs, 458 schooners, 15 sloops. Total, 635. The arrangements between the Gas Bank, New-Orleans, and the Morrison's, has been confirmed by the Board, the Morrisons having given the required security. It places the Bank under the control of the election. It is supposed three of the Banks will be able to resume on the 5th December. I Fall Style of Gentlemen's Hats -BIRD corner of Pine and Nassau-streets, has now ready for inspection and sale the Fall Standard Pattern for Gentleof FSM&W. men's Hats. T Spencer announces to gentlemen that his arrange-

ments are now completed for supplying according to pre vious intimation, a FINE FUR HAT at a price (\$3 25) which shall render it emphatically the cheapest as well as lowest priced Gentlemen's Fur Hat ever on sale in this city. It is prepared in the same style which characterizes our finest article, and like that article is offered at a price at which it cannot be continued without an unusually rapid sale. The undersigned with all confidence affirms it to be for the gentleman and economist the most desirable Fur Hat yet offered. (o20tf) SPENCER, 245 Broadway.

The Triumphant Success which has fol lowed the introduction of PARKER & CO's MOLESKIN DRESS HAT, at \$2 621, warrant the Proprietors in stating that the popularity of this Hat wil soon exceed that of any other Hat ever offered to the citilzens of this City. Our customers will excuse the extreme economy of the arrangements we have made for the sale of this Hat when they consider that expensive rent and fixtures only add to the price and not the quality of the article sold. Sales Room CORNER OF CENTRE-STREET and CITY HALL PLACE, ODDOsite the Post-Office.

Orlando Fish, Fashionable Hatter, 137 Broad way, would inform the gentlemen of New-York that his Fall and Winter style of Hats is now ready for their inspec tion and critical judgement. Claiming the distinction of having been the first to project and abide by a strictly AMERICAN style of Hats, instead of servilely copying the Fashions of Europe, which are often unsuited to our climate and manners, he rejoices to perceive that others have seen fit to follow his lead, and that now the following of European Fashions in Hats is almost entirely abandoned by the leading manufacturers.

He offers a Winter style of Gentlemen's Nutria Hats at

35 50, and warrants them equal in material, finish, fashion and durability to any Hat sold as low as \$4 in the city. But he wishes it distinctly understood that his best Hats are not sold at this price, but at \$4 50. These he recommends as equal to any hat sold in New-York at \$5 or under, and challenges for them a comparison with any other.

Gentlemen visiting our city are respectfully invited to call and examine his new stock of Winter hats and judge o

ir quality. He is confident that, whether the cheapest or best Hat is desired, the inquirer will here be satisfied. by him. (\$20tf) O. FISH, 137 Broadway. Connnt, Fashionable Hatter, 280 that his fall and winter style of Hats are now ready to

their inspection.
In strict accordance with the true principles of conomy, the subscriber has introduced for the economist a beautiful, fine finished, Fur Hat at the low price of \$4, which he unhesitatingly affirms is equal to those sold in more expensive parts of the city at \$4 50 and \$5. Persons who have been in the habit of paying the latter prices for their Hats car now furnish themselves with an article equal in every re spect for the sum of four dollars. To those who wish a low priced Hat he offers a fine, finished, substantial article of Fur Hats at \$3, equal to those sold for \$3.50, or even the famous \$3.62½ Hat. Also, a complete assortment of Silk Hats, at extremely low prices.
ol8 lm CONANT, 280 Grand-street.

Fur Hats at \$3 50.—The subscriber having had a number of applications for a FUR HAT, combining the qualities of beauty and durability, at a reduced price, has made arrangements with his manufacturers by which he will be enabled, on Wednesday next, Oct. 12th, to offer to his numerous customers, and the public generally, an arti-cle which, for fineness of material and beauty of finish, he feels confident will be equal, if not superior, to t my thing of the same description that has, as yet, been offered. The subscriber will not insult an intelligent public by saying, in the language of an advertiser who claims to regulate (?) the fashions, that the article now offered is the same as that formerly sold for six and even seven dollars; still, he has no besitation in asserting that it is worth at least twelve and a half per cent more than the price asked. He is also pre-pared to sell a CASSIMERE HAT of superior quality at the same price, for which, together with an assortment of Satin Beaver, Moleskin, and extra fine Fur Hats, he solicits

The disorder was so very distressing that at times I could not lay down in bed. I employed four of the best physicians in my vicinity without any advantage.
